

JOSEPH OLNEY HOUSE      About 1760

Ridge Road, Stillwater

Present Owner: Frank Gould

Joseph Olney bought this land in 1760. His widow, Elizabeth, sold the house to Stephen Olney in 1793. He sold the house to Elisha Angell, a "house wright," the next year, and it remained in the Angell family for 99 years.

This is an example of the smaller house, without any additions. Painted a cheerful yellow, it nestles along the roadside, just beyond the Ballou property.
